CUSTOM SOLUTIONS

www.thelaserco.com

hello@thelaserco.com

the LASER co

Fully customised

Do you have specific requirements? Drop us a line to see how we can help. You can customise your timber blocks by adding:

- stained timber
- variation in size
- variation in groove width / depth

We have worked with many clients to produce high quality custom solutions. Custom prices are dependant on specifics and will be higher than standard pricing in this document.

We look forward to working with you.
